

2019 Yellow Jacket District Freeze-O-Ree
January 25-27, 2019
Early Registration \$10.00 per person

Dear Scouters,

Yellow Jacket's 35th Annual Freeze-O-Ree is coming up and all districts are invited! We are looking forward to another successful Freeze-O-Ree. The events that we had last year turned out to be both fun and educational. This year we are looking forward to another weekend of fellowship, friendship, and fun.

We especially want to invite AOL Webelos Dens to enjoy the Freeze-O-Ree and camp with us. Most of the activities are available for the Webelos to participate in.

The following is a partial list of programs/competitions that will be held at the Freeze-O-Ree this year:

Freeze-O-Ree Training Opportunity

The “**Scoutmaster and Assistant Scoutmaster Leader Specific Training**” will be offered on Saturday again this year for Scoutmasters and Assistant Scoutmasters that need to be trained. If you, or someone in your unit, wants to attend, but that will leave you without enough adult supervision, that can be worked out at the "Cracker Barrel". Every effort will be made to find a "Trained Leader" to help watch your unit if required.

The training will be conducted in the Fort Bradshaw. Those attending will eat breakfast at their camp site, and then go to class. The class will break to allow the leaders to return to have lunch with their unit. You may have a person who needs this training but who does not plan to spend the weekend at camp. If that person can come for Saturday only, they will be welcomed.
